Martha, it looks like this year will soon be gone and with it many good times we always stay as close as we can to our friendship. I hope that you will have a very well spent year. I didn't know you were before, but since I had heard from other people, I think you are a very nice person and will spend in whatever you attempt to do in this big wide world. This is a big world and a short life, so make the best of it while you can. I will never forget those crazy night at the Dream and all the other places we've been to together. I only wish you could be in the play, I know it would be a lot more fun with you there. Gosh! I will ever find my sweater? I think it is a hopeless case. I had about it? Martha,
I wish to a fine girl in the Junior

DEDICATION

MR. MELVIN NUCKOLS

MRS. SADIE EDMONDS

We, the Senior Class of 1963, gratefully and lovingly dedicate this 1963 Eagle to

Mrs. Sadie Edmonds, who was the science teacher at Parksley High School until she retired in 1961;

and

Mr. Melvin Nuckols our 11th grade home room teacher and our present science instructor,

as a token of our appreciation for their devotion to their work, their understanding and interest in our problems, and their immeasurable assistance in all that we have attempted to do.

PRINCIPAL'S MESSAGE

To the Seniors and Sponsor I wish to express my sincere thanks and appreciation for making THE EAGLE of 1963 of Parksley High School such a tremendous success. These pages contain some of the most eventful happenings which have occurred during your school life here. May you cherish many fond memories of the things which have happened to you, and whenever you review this book in future years may your heart be lifted and make you glad you undertook to record these events.

This message would not be complete without a reminder that all of our teachers wish you a very successful future life. If we have seemed demanding and harsh at times, please think of it as a part of our job. All of us would like to be remembered as your friends because a teacher's greatest reward comes in the lives of those whom he or she has helped to mold.

ADVISOR'S MESSAGE

The Future Homemakers of America motto, "Toward New Horizons," is a motto of challenge. FHA challenges its members to contribute to better home life today in order to influence the kinds of homes they have tomorrow. The family life of members can influence the community and the world.

To be eligible for membership in the FHA a girl or boy must have had at least one semester of Home Economics training.

The Parksley chapter of FHA has always been a small one, but its members have worked hard enough to be recognized by the state organization as an outstanding chapter for the last three years.

STUDENT COUNCIL

President - - - - - DANNY BANKS
 Vice President - - - - - ROSALIE WALKER
 Secretary - - - - - NANCY BARNES
 Treasurer - - - - - NANCY MELSON

ADVISOR'S MESSAGE

Article II of the Constitution of the Student Government Association reveals the purpose of the S.G.A. "The purpose of this organization shall be to promote personal responsibility, loyalty, and a high sense of honor in the individual, and to represent and further the best interests of the student body and the school by putting into it the underlying principles of self-government and democracy." It is evident that the students who wrote the constitution believed the best schools are those in which every student accepts those tasks which are his. Those tasks include disciplining himself, diligently pursuing his school assignments, supporting his school with his presence at its activities, and developing his highest moral and ethical character.

ADVISOR'S MESSAGE

The Co-Ed Hi-Y includes both the Hi-Y and Tri-Hi-Y clubs, which are the Young Men's Christian Association in the high school, committed to a Christian purpose. These are non-denominational organizations, composed of all faiths which are interested in moral and spiritual values. Their purpose is "to create, maintain and extend throughout the home, school and community high standards of Christian character." Their platform is "Clean Speech, Clean Sportsmanship, Clean Scholarship and Clean Living."

GLEE CLUB

Pianist - - - - - LINDA DERENG

Secretary - - - - - SUSAN THORNES

ADVISOR'S MESSAGE

The Parksley Glee Club is the school's only musical outlet. Its members meet for one period a week to sing and train for its four or five public appearances during the year.

The requirements for membership are simple. An ability to match tones with the piano and an eagerness to sing in a group are the only prerequisites. The number of people who join each year remains high. Much credit should be given to these students for the extra work they are willing to do on their own time. A few members have gone on to further their interest in music by joining choirs and choral groups after graduation from Parksley High.

ADVISOR'S MESSAGE

We probably all know that the Beta Club is an organization that honors the students who have done outstanding work in the classroom. How many of us know, however, that the Beta Club considers scholarship but a part of its goal? It places major emphasis on the character traits that will help to make us good citizens.

Martha,
Best of luck

Remember all our
good times at M. Y. S.

Remember especially some of
our little trips to the quilt.
I'm planning on a big summer so

Martha,
Even though you have
heard this many times
- I mean it very much:
May your luck and suc-

days of your life. Never
forget me, because I love
you. I shall never forget
the thrill and our other ex-
periences which are too many
to name. I am sure you will
go far in world if you will
use your witty remarks! There
are so many things I want to

I know what your trouble is!
Mrs. Pennwell

Martha,
Well, guess I will
have to say a few good things
about my sister. To begin with
you are one of the best older sisters a
girl could have. Wish you luck with all
your different boy friends. Never forget
the many enjoyable trips we have been on
together. Salisbury, Ocean City and Grill.

Stay happy & remember me

I have got to
